From the Pastor's Study...

“My child, if you accept my words and store up my commands within you, turning your ear to wisdom and applying your heart to understanding—indeed, if you call out for insight and cry aloud for understanding, then you will understand the fear of the Lord and find the knowledge of God.” From Proverbs 2

Yes, it's that time again!! Summer is in its final hurrah, and school is about to start back!! So long to sleeping in, and watching cartoons all day, we'll see you again next summer!

Going back to school is a stressful time for all involved: parents, teachers, students, faculty, staff, and administration! So, as we embrace a new year, let us pray for peace! Let us pray for safety! Let us pray for new and exciting experiences that help us to grow, not just in maturity and understanding, but also in the wisdom and knowledge of God! Here's a simple prayer that you can do anytime, anywhere: "Lord, grant me _____ (peace, patience, understanding, you fill in the blank)!" **Have a great year everyone!**
