

## **Madisonville Presbyterian Church 200th Anniversary Celebration Scholarship**

### **Purpose**

Established in 2022 to commemorate the 200th anniversary of Madisonville Presbyterian Church and the church's commitment to education and youth. The scholarship is a one-time award based on the student's commitment to service.

### **How It Works**

MPC is accepting donations to this scholarship through November 1, 2022. The scholarship will be awarded to one student who demonstrates a commitment to service between Feb. 1, 2022 and Nov. 1, 2022, with a minimum of 40 service hours. The student with the most hours will be awarded the scholarship at the homecoming worship service in November.

### **Service Ideas:**

- Serve as acolyte or liturgist during worship
- Teach a class to other children or adults
- Help with Community Cafe on Tuesday nights
- Volunteer in planning youth and children's programs and activities

These are only a few ideas. If you have a particular project that you would like to spearhead, or if there is an issue you feel passionate about, please come and see the pastor.

### **Who's Eligible?**

Members of MPC of any age who currently are or will be continuing their education post-high school. If the student is not currently enrolled in college or trade school, or will not be going in 2023, the funds will be placed in a CD where the funds can accrue interest until they are ready to continue their post-secondary education. If, when the time comes, the student chooses not to go to further their education, the funds will revert to the MPC Scholarship Fund.
